### **New Chill Pouch added to Helapet Porter Range**

A tamper evident Chill Pouch is now available to transport temperature sensitive drugs from pharmacy manufacture to end user.

The new A4 Chill Pouches are fully validated and will comfortably accommodate 5 full 50ml syringes, maintaining the temperature between 2 and 8 deg C for in excess of 8 hours.

The Chill Pouches are easy to use and are supplied complete with medicool pack, divider and absorbent pad. The pouches are secured using the sealing tape and can easily be individually identified by using a document wallet.
